K. Sullivan8-11-201313-3791On 8-11-2013 at approx. 1220 hours I was dispatched to the area of Monterey Rd./Sixth on a hot dog in a vehicle. I inquired the temperture outside from GPD Communications and it was 73 degrees. When I arrived on scene, I found a black Honda (Lic: 6AOW344) parked across the street from the Milas Restaurant. The vehicle was locked and all the windows were down approx. 2 inches. The registration came back to a person out of Salinas. In the back window was a small chihuahua. CSO Cabatingan came out to assist me. She also provided me with departments vehicle tempertaure unit. I took the temperature inside the vehicle at it read 86.6 degrees. CSO Cabatingan provided me with the dog come-along to gain entry into the vehicle. When I opened the door to the vehicle the alarm sounded. CSO Cabatingan captured the dog and brought the dog to the kennel. I left a business card for the owner on the dash. A short time later, GPD Communications contacted me advising the owner of the vehicle is in the PD lobby. CSO Cabatingan and I responded to the station. When I arrived to the lobby, I met with MONTES, Ana Lilia. MONTES was spanish speaking so CSO Cabatingan translated for me. I issued MONTES a citation (cite #B1018284) for GMC 4.12 (c) animal in a hot vehicle. Nothing further
